## Medical Cabinets

When in the market for a medical cabinet, Adir Med offers an array of various types that will surely fit your every need. Our cabinets reliably hold medical equipment, prescriptions, and other medical supplies. Their compact size is perfect for areas with limited room like school nurses, hospitals, offices, clinics, or even residential homes. We offer cabinets to hold defibrillators, medicine cabinets, medicine cabinets with file holders and a built-in shelf, and a corner medicine cabinet. Several of our cabinets are offered in an assortment of vibrant colors such as blue, green, red, purple, and white. Their powder-coated finishes are ideal for daily use and can be cleaned easily. We offer our cabinets with shelves that provide optimal storage space for various medical instruments, medications, and first aid supplies. Adorned on most of the doors of our cabinets are locks that are perfect for keeping out unauthorized individuals, and with the included key, you can be reassured that the contents won't fall into the wrong hands. When purchasing one of our products, you will be investing in the safety and health of yourself and the individuals around you.

### FEATURES

**Storage:** Provide optimal, easy-to-see places to store medical equipment such as a defibrillator, medications, essential files, and various medical supplies.

**Compact Design:** You're able to mount them in any location without taking up valuable space.

**Included:** With each purchase, all mounting hardware is included and those with locks come with two keys to ensure you always have one on hand.

**Versatile:** Can be utilized in hospitals, clinics, camps, schools, nursing homes and even residential homes.
