OUR BRAND

Alpine Industries, headquartered in Irvington, NJ, is a manufacturer of innovative, solution-based products for commercial and institutional markets worldwide. The Alpine Industries brand is known for its high quality products, specifically in the foodservice and janitorial sectors of the industry.

Well known for our up-to-date technology, quality, and space saving designs, contractors and facility managers worldwide rely on Alpine products for system solutions in the categories of foodservice, sanitary maintenance, waste handling, material transport, away-from-home washroom, and safety products. Design innovation by a skilled and dedicated workforce has produced a range of products that are an essential part of any commercial facility throughout the world.

Here at Alpine Industries we maintain a strong practice of ongoing product research and development, and combined with a commitment to the customer, this is the foundation of our success!

PRODUCTS

Every product in the Alpine Industries line is designed and manufactured to the highest industry standards. Our products benefit from a range of approvals in their specific industries.

MISSION

Providing our customers with quality products that enable you to fill your requirements in the most cost effective and reliable way!

SERVICES

Alpine customers benefit from an extensive service and technical support program, complete with customer support, repair and parts facilities.

ULTIMATE WALL-MOUNTED DROP BOX

FEATURES & BENEFITS

- This wall mounted mailbox provides the perfect solution for convenient and secure, drop box applications, including night drops, key drops, payment drops, interoffice mail and much more
- Made using heavy duty, 16-gauge galvanized steel construction with a powder-coated, scratch-resistant finish, this product will provide long-term durability and use for years to come.
- The locking door access includes a patented, anti-pry latch locking mechanism, commercial grade 12-disc wafer lock and three (3) laser cut keys to ensure that items dropped inside are safe and secure.
- Wide enough to accommodate bigger items than your average drop box slot, the innovative bin door featured here is designed to accept keys, payments, small parcels, letters and checks.
- For added convenience, the drop box comes complete with typical installation hardware, including 4 mounting screws, 4 stainless steel washers, a driver bit and a drill bit.
