

ALP301-SERIES

White, Loop-End Mop Head's with Color-Coded 1" & 5" Headband & Tailband, Pack of 12

When looking for a mop head, you want to be reassured you are getting the most bang for your buck. Our White, Loop-End Mop Head's with Color-Coded 1" & 5" Headband & Tailband is the product that checks off both quality and cost-efficiency. Their versatility allows them to be used in all industries, from hotels and hospitals to schools and restaurants. Our superior blended mop heads 32-ounce absorption capabilities and extended coverage will make cleaning fast and easy. The White, Loop-End, Mop Head's will improve your workflow and save you time. With our secure, polyester tailbands, you won't have to worry about your mop head tangling, fraying, or unraveling. The multiple color options will allow you to properly color-code based on your business's purpose and prevent cross-contamination. When you pair our mops with one of our quick change or jaw handles, you can swiftly release, and change your mop head, to continue with your tasks in no time. This allows you to allocate time to other tasks or even clock out a little early. When using our White, Loop-End, Mop Head's, we encourage you to fully ring it out in our Mop Bucket with Down Press Wringer to ensure its longevity. When your mop is ready to be cleaned, simply hand wash it, wring it out, and it's ready to be used again. We've ensured that these mops will last and outperform cut-end mop heads, and you won't have to replace them nearly as frequently. Whatever benefits our mop heads will bring, you can be assured you're receiving a fair price along with a top-quality item.

FEATURES
